

## European Green Capital Lahti Summer School 2021

Lahti is the European Green Capital 2021. All academic bodies operating in Lahti are keen to promote this year by putting together an International Summer School. The Summer School is a cooperation of the LAB University of Applied Sciences, LUT University and University of Helsinki and Lahti University Campus.

**Structure of the programme 7 – 18 June 2021 / Note:** all times are Finnish local time (+1CET), changes are possible.
